CARD Meeting

Tuesday, January 05, 2021 – 6:00 p.m to 8:00 p.m.

Zoom

1. Introductions (5 min)
2. Approval of Minutes from Dec. 1, 2020 (Board Vote) (5 min)
3. Old Business/Action Items (20 min)
 - a. EGLE Old Business:
 - i. Was AG able to get any of the Consent Agreement data released to the public?
 - ii. Status of the Trend Analysis Review (Dan should have by end of 1st Qtr 2021)
 - iii. Status of New Compliance Wells in the ScioView development.
 - iv. List of MW's not tested in many years. Dan should have a document with "why" Gelman was able to stop testing.
 - v. When will EGLE/Wash Co Water Commission test Allen Creek Drain next and now possibly some shallower drain locations in Scio Twp.
 - vi. MW 103s. What is the feasibility plan and corrective actions being planned or to add another well outside the PZ near there.
 - vii. We need to confirm where the HR/HC sampling is actually coming from and if the tests for Bromate are being done accurately and not ½ mile downriver.
 - b. Any update on DHHS adjusting V.I. numbers to 29 ppb? (EGLE stated last month that they will not be updating to this recommended number)
 - c. Wash Co. Water Commissioner/EGLE update on the MS4 violation in the Allen Creek Drain system.
 - d. City of Ann Arbor testing Wet Basements. Update on the 20 in the study. Any new plans for Vapor testing/damp basements/wet walls we discussed last month?
 - e. Discussion (10 min)
4. EGLE Updates - Dan Hamel (15 min)
 - a. NPDES permit update.
 - b. Any update on March 8-9 hearings, does AG Negele have any knowledge of what is expected to happen?
 - c. Anything new with action for increased dioxane in the Drain system. 3 choices discussed last month. 1)lining the pipe 2)making the Polluter clean it up and stop the illegal discharge or 3)issue an NPDES permit, which is a permit for discharge when remediating a pollution....this discharge is NOT from remediating the plume? Will this be brought up at the March hearings? What is EGLE's plan?
 - d. Anything else new?

- e. Discussion (10 min)
5. CARD Chair Updates – Roger Rayle (20 min)
- a. New Facts and Data
 - b. Court dates hearings are now March 8-9. Who is providing the data for the briefs?
