Tuesday, March 02, 2021 – 10:00 a.m to 12:00 p.m.

Zoom

1. Call to Order- Welcome  
At approx. 10:30, Congresswoman Debbie Dingell will be joining us to give an update.
2. Approval of Minutes from Feb 2, 2021  
[https://docs.google.com/document/d/1INXQ8QyzEFx5I9MkXLXMOhCGj2id\\_wc4UbU\\_MSpaH7Y/edit?usp=sharing](https://docs.google.com/document/d/1INXQ8QyzEFx5I9MkXLXMOhCGj2id_wc4UbU_MSpaH7Y/edit?usp=sharing) - (Board Vote)
3. Old Business/Action Items (30 min)
  - a. EGLE Old Business:
    - i. Has AG been able to get any of the data from the Consent Judgment negotiations released to the public?
    - ii. EGLE Response Memo and the AG opposing the Intervenors and Public's position.
    - iii. Status of the Trend Analysis Review (Dan Hamel should have by end of 1st Qtr 2021)
    - iv. Status of New Compliance Wells in the ScioView development.
    - v. List of MW's not tested in many years. Dan and Roger are still working on.
    - vi. When will EGLE/Wash Co Water Commission test Allen Creek Drain next (please add Allen Creek outfall into the Huron River) and possibly some shallower drain locations in Scio Twp?
    - vii. MW 103s. A feasibility plan and corrective actions are needed and another well added outside the PZ near there (103s has been above 85ppb since Oct 2020).
    - viii. 2016, 2017 Gelman well re-surveys locations. Why? Will there be corrections?
  - Other old business:
  - b. Wash Co. Water Commissioner issued an MS4 violation regarding illegal discharge into the Allen Creek Drain system.  
<https://drive.google.com/file/d/1sLUdTBUcl-nlafLDG5wuBOvvQA98N-4C/view?usp=sharing>  
When is the meeting date to discuss the violation?
  - c. City of Ann Arbor testing Wet Basements. Update on the 20 in the study. Any new plans for Vapor testing/damp basements/wet walls we discussed in previous months?  
City of Ann Arbor- We have confirmed where the HR/HC sampling is actually coming from and the tests for Bromate are NOT being done accurately (½ mile downriver). The Court should know that the Polluter is not holding up it's 2006 agreement with the City. Will this be in the City's briefs to Judge Connors?

\*\*\*The public would like the correct location enforced and to be sampled correctly in the future.

- d. For the Intervenors: Superfund letter status and delay? Amount of money spent on attorney's and the upcoming litigation process. Joint meetings?
  - e. Volunteers needed - CARD members - Sub-committee for [stakeholder information infrastructures](#). Sub-committee for Press Releases.
  - f. Discussion (10 min)
4. EGLE Updates - Dan Hamel (15 min)
- a. NPDES permit update.
  - b. Procedure for March 22-23 hearing. Where will these public briefs be posted? Are these hearings open to the public? Zoom link?
  - c. When is the meeting for action of the increased dioxane in the Drain system. 3 choices discussed Dec 2020. 1) lining the pipe 2) making the Polluter clean it up and stop the illegal discharge or 3) issue an NPDES permit, (which is a permit for discharge when remediating a pollution). Will this be brought up at the March hearings? Where are EGLE's briefs?
  - d. Anything else new?
  - e. Discussion (10 min)
5. CARD Chair Updates – Roger Rayle (20 min)
