

# Is my clinic ready for COVID-19?

## We have personal protective equipment (PPE) including:

- Gloves
- Gowns
- Surgical masks or N-95 masks
- Face shields or goggles

## We have signs on our doors:

- [STOP if you have a fever AND cough or shortness of breath sign](#)

## We have lab materials:

- Synthetic fiber swabs for NP/OP
- Viral transport media
- A freezer that stays at -20° to -70°Celsius or -5° to -94° Fahrenheit

## We have the correct paperwork:

- [PUI form](#)
- Phone numbers for Washtenaw County Health Department  
**734-544-6700** (Mon – Fri 8:30am-5:00pm) **or 734-994-2911** (After Hours)
- Our own lab phone number: \_\_\_\_\_

## We know where to find information:

- Washtenaw updates: [www.washtenaw.org/health](http://www.washtenaw.org/health)
- Michigan updates: [www.michigan.gov/coronavirus](http://www.michigan.gov/coronavirus)
- National updates: [www.cdc.gov/nCoV](http://www.cdc.gov/nCoV)
