Joining and Participating in a Webinar as an Attendee

Overview

If you are registering or joining a webinar and haven't received an email confirmation that's for a panelist or alternative host, you are an attendee in the webinar. As an attendee, you can mute/unmute your audio, virtually raise your hand, and send messages to others.
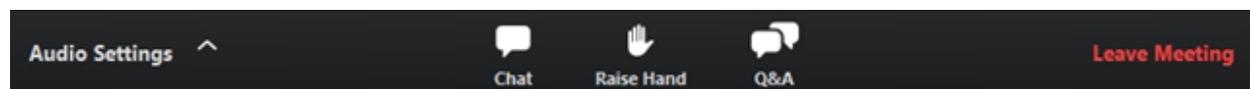

Note: Some attendee controls won't be available if disabled by the host. If you have additional controls not shown here, you may be a co-host or panelist in a webinar or an attendee in a meeting.

This article covers:

- Joining a webinar by invitation link
- Manually joining a webinar
- Waiting for the host to start the webinar
- Webinar controls

Prerequisites

- Zoom Desktop Client or Mobile App

Joining a webinar by invitation link

To join the webinar, click the link that the host provided you or that you received in the confirmation page after you registered. If the host sent a registration confirmation email, the link can also be found there.

Webinar controls

 Windows | **macOS**

Audio Settings (only visible if the host hasn't granted you permission to talk): Change your audio settings. You can also click the upward arrow (**^**) next to change your speaker.

Unmute/Mute: If the host gives you permission, you can unmute and talk during the webinar. All participants will be able to hear you. If the host allows you to talk, you will
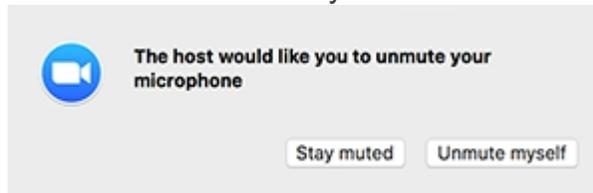

receive a notification.
Note: You can still access the audio settings by click on the **^** arrow next to the Unmute/Mute button.

Chat: Open in-meeting chat, allowing you to send chat messages to and send a message to the host, panelists, and attendees (if permitted).

Raise Hand: Raise your hand in the webinar to indicate that you need something from the host. The host may instruct you on how they plan to use this. Many webinar hosts use this feature to know if an attendee has a question and would like to speak out loud.

Question & Answer: Open the Q&A window, allowing you to ask questions to the host and panelists. They can either reply back to you via text in the Q&A window or answer your question live.

To ask a question:

1. Type your question into the Q&A box. Click **Send**.
   Note: Check **Send Anonymously** if you do not want your name attached to your question in the Q&A.
2. If the host replies via the Q&A, you will see a reply in the Q&A window.

Q&A

You asked: 18:03
What happens when I raise my hand?

    Molly Parker answered: 18:04
    I can take you off of mute.

Please input your question

☐ Send Anonymously   **Send**

The host can also answer your question live (out loud). You will see a notification in the Q&A window if the host plans to do this.

As an attendee you can also like or comment on other attendee's questions. This helps the host or participant identify popular questions, especially in a webinar with many attendees.

1. Click the thumbs up icon to like a comment.
