If a proposal is selected, it will be the most advantageous regarding price, quality of service, the CONTRACTORS qualifications and capabilities to provide the specified service, and other factors that the County may consider. The County does not intend to award a contract fully on the basis of any response made to the proposal; the County reserves the right to consider proposals for modifications at any time before a contract would be awarded and negotiations would be undertaken with that CONTRACTOR whose proposal is deemed to best meet the County’s specifications and needs.

B. The County reserves the right to reject any or all bids, to waive or not waive informalities or irregularities in bids or bidding procedures, and to accept or further negotiate cost, terms, or conditions of any bid determined by the County to be in the best interests of the County even though not the lowest bid.

C. Proposals must be signed by an official authorized to bind the CONTRACTOR to its provisions for at least a period of 90 days. Failure of the successful bidder to accept the obligation of the contract may result in the cancellation of any award.

F. In the event, the County receives two or more bids from responsive, responsible bidders, one or more of whom are Washtenaw County Contractors and the bids are substantially equal in price, quality and service, the County shall award the contract to the most responsive, responsible Washtenaw County Contractor. For purposes of this section, Washtenaw County Contractor means a company which has maintained its principal office in Washtenaw County for at least six (6) months. Maintaining a Washtenaw County P.O. Box, is not, in and of itself, sufficient to establish a company as a Washtenaw County Contractor. The County shall have sole discretion under this section to determine if a company qualifies as a Washtenaw County Contractor and if two or more bids are substantially equal.

G. The initial award of this contract shall be for a period of one (1) year(s), with an option to renew an additional two (2) year(s), pending agreement by both parties.

H. CONFLICT OF INTEREST. Contractor warrants that to the best of contractor's knowledge, there exists no actual or potential conflict between contractor and the County, and its Services under this request, and in the event of change in either contractor's private interests or Services under this request, contractor will inform the County regarding possible conflict of interest which may arise as a result of the change. Contractor also affirms that, to the best of contractor's knowledge, there exists no actual or potential conflict between a County employee and Contractor.

I. The bidder shall be responsible for all costs incurred in the development and submission of this response. Washtenaw County assumes no contractual obligation as a result of the issuance of this RFP, the preparation or submission of a response by a bidder, the evaluation of an accepted response, or the selection of finalists. All proposals, including attachments, supplementary materials, addenda, etc. shall become the property of Washtenaw County and will not be returned to the bidder.

J. Any responses, materials, correspondence, or documents provided to Washtenaw County under this solicitation are subject to the State of Michigan Freedom of Information Act and may be released to third parties in compliance with that Act.

**IV. AWARD**

Award will be made to the lowest responsive, responsible bidder, with the most relevant experience and best qualifications. However, the award may not be based solely on low bid alone.

**V. SCOPE OF WORK**

3. Review the existing infrastructure of the facility or grounds.
4. Provide quote for labor, material and permit cost.

**Phase 2: Review Material and Labor Options with Parks and Recreation Staff**

1. This phase will consist of review of quotes and materials options.

- 11. Review contract provisions and insurance requirements. Note any limitations on providing insurance requirements as outlined in the contract provisions.

It is not the intent of this RFP to solicit an overly long response, but it is important the firm's experience/expertise be adequately described. It will, for example, be much more useful to address abilities and expertise directly comparable to this project than to include an exhaustive list of all projects completed by the firm. County staff will review the submitted proposals and will select vendors to meet with in an interview format, to discuss the proposal and vendor qualifications, in greater detail. The selected contractor will meet with the County to negotiate compensation for the proposal, and prepare a contractual agreement between the County and the contractor, as soon after the final selection as is reasonable.
