

## Why Mental Health First Aid?

Mental Health First Aid teaches you how to identify, understand and respond to signs of mental illness and substance use disorders. This training gives you the skills you need to reach out and provide initial support to someone who may be developing a mental health or substance use problem and help connect them to the appropriate care.

## Training Information - Join us in August!

**When:** August 26, 2022

**Where:** Virtual First Aiders will complete a 2-hour, self-paced online class and then participate in a 5.5-hour, instructor-led videoconference.

**Cost:** This training is free paid for by the Washtenaw County Safety & Mental Health Millage.
