I. PROPOSAL INFORMATION

Definitions	“Bidder”	an individual or business submitting a bid to Washtenaw County
	“Contractor”	One who contracts to perform services in accordance with a contract
	“County”	is Washtenaw County in Michigan
	“WCFM”	is Washtenaw County Facilities Management

Purpose of Proposal:

Washtenaw County Facilities Management is in need of Carpet and Floor Covering Services for various County buildings. The intent of this document is to provide interested vendors with sufficient information to enable them to prepare and submit proposals for consideration by the Washtenaw County Facilities Management (WCFM) for Carpet and Floor Covering Services. This scope of services is required to assist Washtenaw County in renovations, remodels and maintenance of existing facilities.

Proposal Terms:

A. Washtenaw County reserves the right to reject any and all proposals received as a result of this RFP. If a proposal is selected, it will be the most advantageous regarding price, quality of service, the Contractors qualifications and capabilities to provide the specified service, and other factors that the County may consider. The County does not intend to award a contract fully on the basis of any response made to the proposal; the County reserves the right to consider proposals for modifications at any time before a contract would be awarded, and negotiations would be undertaken with that contractor whose proposal is deemed to best meet the County’s specifications and needs.

B. The County reserves the right to reject any or all bids, to waive or not waive informalities or irregularities in bids or bidding procedures, and to accept or further negotiate cost, terms, or conditions of any bid determined by the County to be in the best interests of the County even though not the lowest bid.

C. Proposals must be signed by an official authorized to bind the contractor to its provisions for at least a period of 90 days. Failure of the successful bidder to accept the obligation of the contract may result in the cancellation of any award.

D. In the event it becomes necessary to revise any part of the RFP, addenda will be provided. Deadlines for submission of RFP's may be adjusted to allow for revisions. The **entire** proposal document with any amendments should be returned. To be considered, **three copies (3)**, the **original and two (2) copies** must be at the County on or before the date specified.

RFP # 6616 CARPET & FLOOR COVERING SERVICES

E. Proposals should be prepared simply and economically providing a straight forward, concise description of the contractor's ability to meet the requirements of the RFP. Proposals shall be typewritten. No erasures are permitted. Mistakes may be crossed out and corrected and must be initialed in ink by the person signing the proposal.

F. A standard Washtenaw County Services Agreement will be executed between WCFM and the consultant (see Appendix A). WCFM reserves the right to award the total proposal, to reject any and all proposals in whole or in part, and to waive any informality or technical defects if, in WCFM's sole judgment, the best interests of Washtenaw County will be so served.

G. In the event, the County receives two or more bids from responsive, responsible bidders, on or more of whom are Washtenaw County vendors and the bids are substantially equal in price, quality and service, the County shall award the contract to the most responsive and responsible Washtenaw County vendor. For purposes of this section, Washtenaw County vendor means a company which has maintained its principal office in Washtenaw County for at least six (6) months. Maintaining a Washtenaw County P.O. Box is not, in and of itself, sufficient to discretion under this section to determine if a company qualifies as a Washtenaw County vendor and if two of more bids are substantially equal.

If a proposal is selected it will be the most advantageous regarding price (See: "Low Bidder" following), quality of service, the Vendors' qualifications and capabilities to provide the specified service, and other factors which the County may consider. The County does not intend to award a Bid fully on the basis of any response made to the proposal; the County reserves the right to consider proposals for modifications at any time before a Bid would be awarded, and negotiations would be undertaken with that Vendor whose proposal is deemed to best meet the County's specifications and needs.

Low Bidder: Low Bidder will be determined by the response given on the Bid Sheet and the responsibility and qualifications of the bidder.

Term of Bid: The term of the contract will be for a one (1) year period from the date of award with the option to renew for years two (2) and three (3) providing the Contractor and County agree on the terms.

NO PRICE INCREASES ARE ALLOWED For price increases to be considered, information justifying the price increase must be submitted to the Purchasing Division at least 30 days prior to the increase taking effect. This information will be forwarded to the Support Services Facilities Management for approval. The Purchasing Division and/or Support Services Facilities Management will monitor the prices.

Removal and Installation, Preparation of Carpet, VCT, Ceramic Tile, Quarry Tile, Base, and Specialty Floors. Common manufactures the County currently uses are: Patcraft, Lees, Mohawk, Johnson, and Armstrong. Hourly fees and sample projects will be used to evaluate proposed vendors.

A typical project may include the following phases:

PHASE 1: FIELD INVESTIGATION

1. Review the existing materials, drawings, reports, etc., prepared by county staff on the proposed project.
2. Review the proposed scope.
3. Review the existing infrastructure in the facility.
4. Locate, quote product and labor costs.

PHASE 2: REVIEW MATERIAL AND LABOR WITH COUNTY STAFF

1. This phase will consist of review of quotes and material options.
2. This phase may also include construction estimates, detailed specifications, and construction schedule.

PHASE 3: PROJECT CONTROL

1. The vendor will meet with selected representatives on a regular basis or as determined necessary by the Facilities Management project manager to review progress and provide necessary guidance to the contractor in solving problems which may arise.

4. Within 10 working days of the award of the contract, the vendor will submit to the county's project manager for approval a work plan, which includes the following:
 - a. The vendor's names and titles of personnel assigned to the project
 - b. The project breakdown showing subprojects, activities and tasks
 - c. The time-phased plan for completing the project

SUBMITTAL PROCESS AND DETAILS

Proposals are sought from firms with recognized expertise on design projects with experience in the public sector. Proposals should include the following failure to include all required information could result in disqualification.

1. Contractor's name, address, and name of primary contact person.
2. A description of the specific staff that will comprise the project team for this assignment.
3. Samples of related/comparable past projects that would serve as examples of experience and expertise necessary for this project.
4. Statement of qualifications and experience with public sector work.
5. Estimated time commitment for each staff person as a percentage of the total time to complete the work.
6. Expected workload during the project period, (i.e., readiness to serve).
7. Evidence of ability to work within tight time constraints.
8. Location and availability of intended subcontractors. (While the County does not require consultants to be local firms, availability to discuss design questions is a primary concern).
9. List of client references. Include business name, contact name and phone number.
10. A proposed fee structure for the work to be performed, including costs from all anticipated subcontractors. This information must be included in the proposal.

It is not the intent of this RFP to solicit an overly long response, but it is important the firm's experience/expertise be adequately described. It will, for example, be much more useful to address abilities and expertise directly comparable to this project than to include an exhaustive list of all projects completed by the firm. WCFM staff will review the submitted proposals and could select vendors to meet with in an interview format, to discuss the proposal and vendor qualifications, in greater detail. The selected contractor will meet with the County to negotiate and prepare a contractual agreement between the County and the contractor, as soon after the final selection as is reasonable.
