Addendum #1

RFP No. 6582

Title: Solar Photovoltaic System – 200 N. Main

Opening Date: Monday, January 31, 2011 at 2:00PM

1. Washtenaw County will accept proposals for solar photovoltaic systems for non-amorphous technology. Please specify the type of panel system proposed if non-amorphous.
2. The proposed schematic is one scenario for rooftop installation based upon the structural capacity of the building. Alternate layouts may be developed independently by bidders. All proposals must include load calculations for evaluation by the County to ensure structural integrity of the roof.
3. A second opportunity has been scheduled to provide rooftop access and utility room access to the building on Tuesday, January 25th at 2:30 p.m. This access will commence promptly at 2:30, beginning in the lobby of 200 N. Main.

The opening date remains as previously indicated on Monday, January 31, 2011 at 2:00PM. Acknowledgement of receipt of this addendum by the bidder must be recorded on page P1 of the submitted bid document proposal.
