

Certified Sewage System Installation and Repair Contractors

This list provides the names of individuals who have met the minimum qualifications for being a Certified Sewage System Installation/Repair Contractor in Washtenaw County. This list was randomly generated and does not reflect the quality or effectiveness of a particular individual or business. Please note that being properly insured is not a requirement for an individual to obtain certification. It is the property owner's responsibility to verify that the individual or business has sufficient insurance. Washtenaw County does not warrant the work of any of the individuals or businesses listed here, and does not guarantee the quality or quantity of work provided by such individuals or businesses.

Please note that it is the responsibility of the contractor or owner to contact the Miss Dig notification system at 811 or 800-482-7171 and comply with all requirements of the Miss Dig Underground Facility Damage Prevention and Safety Act before starting any excavation work.
